

# Creative and magic stylus - a few ideas

"I'm bored," Val said to Mom. "What can I do?"

It was the middle of summer. Val tapped her fingers on the board her mom was painting.

"Look at the world around you," said Mom.

"Stop and take time to observe, and you will not be bored."

"How can I begin?" asked Val.

- the magic stylus to underline vocabulary or key points
- a rectangle around a word with the magic stylus can zoom in on the word
- a circle around a portion of the page will spotlight that area; drag darkened area to move spotlight
- the creative pen can emphasize cause/effect, punctuation, stamp words a reading, vocabulary
